

Dojo

Home base for
Psoirée members

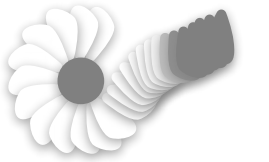

Overview

Members have a [digital Dojo](#) to connect in private 3D “worlds.”

The space mimics in-person interactions and members can access it at *any* time

Five worlds

Connect with other members
to support intentional psychedelic work

Two requirements

New tech = a couple limitations (for now)

(1) A laptop or PC

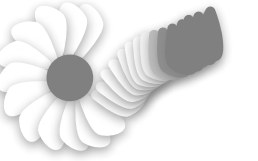

Smartphones aren't supported yet

(2) Chrome

[Download Google Chrome browser here](#)

Image: The Dojo allows you to join group chats, have separate side conversations, and move around

Navigating the worlds
